No plans for the summer? Gain extra competencies and meet people from all over the world at VIA Summer School 2018

Each year, **VIA University College** offers a variety of summer schools at our new City Campus in Aarhus, Denmark. Join one or two of our courses and enjoy a summer filled with academic insights and social events in an international environment.

Experience last year's summer schools through pictures on Instagram **#viasummerschool**

We offer courses within the fields of these faculties:

- VIA Faculty of Education and Social Science
- VIA Faculty of Health Sciences
- VIA School of Business, Technology and Creative Industries

VIA Summer School includes:

- Company and field visits
- Social and cultural activities
- Housing service

All courses are taught in English at Bachelor's level by some of the most gifted lecturers. You will spend your summer working together with students from different fields from all over the world. You will gain new perspectives on your study while making new friends in one of the most interesting and hip European cities.

We look forward to meeting you!
